sep 2012 special 10/10 prep edition

*Glorifying God by reaching all Vietnamese peoples with the Good News of Jesus Christ through the planting of indigenous rapidly multiplying churches.*

## PREPARATION

**Ten million people.** The number is so large it is hard for us to even understand it. But behind that number are ten million faces. Ten million boys and girls, men and women, fathers, mothers, grandmothers, grandfathers. Real faces and real lives in a city where only a very small percentage have found the hope of salvation in Jesus Christ. Based on that small percentage, we can do the calculations and find that in Ho Chi Minh City, a lost person dies and goes to Hell every ten minutes of every day. Our 10/10 Day of Prayer for Ho Chi Minh City is designed to give focus to the needs of this great city. Thank you for your interest in praying for these in desperate need of the Gospel. As we approach October 10th and the Day of Prayer, we hope you will take some steps of preparation to help us mobilize much needed prayer for the city! If you haven't done so already you can start by sending an email to [tenten@reachingvietnam.com](mailto:tenten@reachingvietnam.com) to request the special 10/10 Prayer Guide.

◆ In keeping with the 10/10 theme, we have set **Wednesday, October 10, 2012** as a **Global Day of Prayer for Ho Chi Minh**

**City.** We hope you can pray on this date—but regardless of the time you choose to pray for the city—please do join us in prayer!

◆ A **downloadable prayer guide** will be available to you soon that can be used to give some structure to your prayers. The prayer guide will give a brief profile of “**10 Faces of Ho Chi Minh City**”.

◆ A **feature article** will be available on [reachingvietnam.com](http://reachingvietnam.com) and [commissionstories.com/asia](http://commissionstories.com/asia). “**Praying for her people**” will share the salvation story of a local Believer and her request that we join her in praying for the people of Ho Chi Minh City.

◆ **Consider how you can best pray** and involve others to pray with you for this 10/10 emphasis. Plan a special focus prayer time on that Wednesday or the Sunday prior. **Plan a prayer time** in your small group Bible study, cell group, Sunday School or any time you can gather with other Believers!
